2nd Call For Papers

AJCPP2020

10th Asian Joint Conference on Propulsion and Power

Songdo Convensia, Korea
March 11-14, 2020

Introduction

Asian Joint Conference on Propulsion and Power (AJCPP) is the joint holdings of the international conferences, relating to aerospace/mechanical engineering, thermo-fluid/electromagnetic/plasma physics, structural/material design and fluid machinery. The conference provides university researchers and industry engineers in Asia-Pacific countries with a valuable opportunity to exchange and discuss the current trends and future directions in the field of aerospace propulsion and power. The conference provides university researchers and industry engineers in Asia-Pacific countries with a valuable opportunity to exchange and discuss the current trends and future directions in the field of aerospace propulsion and power.

Important Dates

Abstract Submission	December 6, 2019
Notification of Acceptance	December 20, 2019

Registration Fees

Category	Early-Bird By January 31, 2020	Regular/On-Site
Regular	USD 400	USD 450
Student	USD 200	USD 250

Abstract Submission

Abstract must be original material and not have been previously presented or published. It should be electronically submitted in word format through the website no later than December 6, 2019. Sample template and more detailed information can be found on our official website. (www.ajcpp2020.org)

All submitted abstracts will be reviewed by the reviewing committee of AJCPP2020 and the results will be sent on December 20, 2019 via e-mail.

International Organizing Committee

	Heuy Dong KIM	Andong National University
Korea	Heejang MOON	Korea Aerospace University
	Tae-Seong ROH	Inha University
Japan	Mitsuo IMAMURA	IHI corporation
	Shu FUJIMOTO	IHI corporation
	Guang XI	Xi'an Jiaotong University
China	Chunwei GU	Tsinghua University
	Riheng ZHENG	Beijing Power Machinery Research Institute

Local Organizing Committee

Chairman : Youngbin YOON (Seoul National University)

Kyubok AHN	Chungbuk National University
Hyungrok DO	Seoul National University
Seongyeon HYUN	Vitzro Nextech
Daesik KIM	Gangneung-Wonju National University
Kyu Tae KIM	Korea Advanced Institute of Science and Technology
Jeong Soo KIM	Pukyong National University
Bok Jik LEE	Seoul National University
Hyoung Jin LEE	Inha University
Yoon Wan MOON	Korea Aerospace Research Institute
Hyuck-Joon NAMKOUNG	HYUNDAI Rotem
Dong Chang PARK	Agency for Defense Development
Taesik PARK	LIG Nex1
Heeho PARK	Hanwha Aerospace CO., LTD.

The Venue City, Incheon!

The Attractive Incheon City!

인천광역시
Incheon Metropolitan City

Incheon is a city located in northwestern South Korea, bordering Seoul and Gyeonggi to the east. Today, about 3 million people live in the city, making it South Korea's third most-populous city after Seoul and Busan. The city's growth has been assured in modern times with the development of its port due to its natural advantages as a coastal city and its proximity to the South Korean capital. It is part of the Seoul Capital Area, along with Seoul itself and Gyeonggi Province, forming the world's fifth largest metropolitan area by population.

Songdo City, the New International City

The Songdo International City is an advanced technology city. It is filled with romance. Life and industry co-mingle with culture and the arts, as if all the world's cities are gathered together in one city. The cultures of the east and the west wait to be experienced in Songdo International City. Welcome to the future of Korea.
